abstract

Muhammad sallam jomian

Amer adnan hussein eal- slman

Mu'tah university 2010

This study aimed at the research of jomians literature in the study of poetry, novel , kids literature And theatre ,this study depended on historical path, psychological.

In spotting out several core and form issues in this literature It also curved into deep analyses for many important poetry texts .the study concluded.

That Muhammad jomian is one of the distinctive writers in the Jordanian literature.

He presented poetry works, and writings on a high level of accuracy in the form and core because he is the owner of a message believes in the importance of delivering this message to all literates.

This study concluded a group of important results which enable the researchers and students to continue studying in this
