Abstract

Stylistic phenomena in the poetry of Ahmad Abdel Muti Hijazi

Zeyad Jayes AL- Jazi

Mu'tah University, 2011

This study aims at elucidating the stylistic phenomena in the poetry of Ahmad Abdel Muti Hijazi, into its overall structure and pave the four chapters, in the boot touched the life of a modern poet, literary, social, political, style, stylistic concept and direction.

The first chapter was allocated to talk about intertextuality and included religious, historical, and literary aspects.

The second chapter dealt with the deviation and which included and semantic and structural.

The third a chapter on discusses repetition and represented into the letters, words, and track.

The fourth chapter has offered symbols different kinds of such as religious, historical, literary, mythological, ones and then I finished my conclusion stating the most important findings of the study and followed by a list of sources and references used in this study.
